

The cost to book a wedding with Second Congregational UCC is \$1,500. These fees include the minister, premarital counseling if you use our minister, organist, wedding coordinator, and custodian. It includes the wedding rehearsal and the church for the day of your wedding. We do have candelabra and aisle candles that can be rented to use for your wedding. You also have the option to have the pastor of your choice officiate your ceremony if you choose to do so, but if you choose this option you will want to speak with the wedding coordinator for Second Church's guidelines. If you wish for an additional fee we do have a dining room you may use to host your reception.
